

Have you ever considered becoming a Police officer or Special Constable?
Have you thought about becoming an investigator?
Does the thought of coming to University and obtaining a degree excite you?
Would you like to learn more about criminology, crime scenes management, forensics, serious crime, Victimology, Penology, the Criminal justice system?
Then you need to take our FIP programme as part running alongside the Notts Police Cadet Programme!

Alongside your Cadet programme Nottinghamshire Police are working with the University of Derby to provide the Foundation in Policing qualification. Passing this course opens up doors to you with the University of Derby through UCAS points to study with them on their Criminology programme.

Summer School

Mid-way through the course there is a great opportunity to live at the University for a week to get a flavour of University life with a full programme of different department learning modules. Summer school runs over three weeks dates for **summer 2017** are **7th -11th August, 14th -18th August** and **21st -25th August**. You choose one of those weeks to attend. The cost of this is met by the University.

How is the course assessed?

Formative assessment – Each session has a small learning assessment **10%**

Community Project –Group project with a presentation **20%**

Final Exam – multiple choice questions **70%**

We hope that you all enjoy working on the FIP programme! Any questions or queries please speak to your Cadet Leader initially or contact Audrey - audrey.niddrie16050@nottinghamshire.pnn.police.uk
